HYGEN™ PULSE™ MICROFIBER MOP KIT, SINGLE SIDED

Innovative venting channels make lifting out liners up to 50% easier, improving productivity and reducing the risk of injury.

- Patented onboard reservoir and solution system evenly dispenses liquid behind mop
- Ergonomic trigger handle dispenses three sprays of cleaner
- Lightweight and ergonomic – weighs only 6 lbs when fully loaded
- Non-slip tip helps prevent the handle from sliding and falling when placed against a wall
- On-board reservoir holds facility’s preferred solution

EXECUTIVE SERIES™ WOODEN MULTILINGUAL “CAUTION” SIGN, 2 SIDED

Elegant, dark hardwood “Caution” Sign is 2-sided for effective multilingual safety communication that won’t disrupt a building’s image.

- Elegant wood frame and sleek gold sign for effective safety communication
- “Caution” warning message imprinted in English, French, and Spanish provides effective communication to a broad audience
- Durable plastic feet help protect wood finish from spills
- Hinged top with integrated carry handle for easy transport and storage

JANITORIAL CLEANING CART WITH DOORS AND HOOD – HIGH SECURITY

The High-Security Janitorial Cleaning Cart is a secure cart, featuring quiet casters and ball-bearing wheels along with a preassembled locking hood and doors.

- 7.25-cubic foot storage capacity offers 40% more space than traditional carts so user spends less time retrieving supplies and more time completing the task at hand
- Preassembled locking security hood speeds up assembly and ensures all products will be secure.
- Secure cabinet doors keep cleaning supplies concealed from view and locked up when carts are unattended.
- Mop bucket platform with securing grooves keeps WaveBrake® or microfiber charging buckets (FGQ95088YEL) securely attached to cart.
- Durable 8" ball bearing wheels and quiet 4" casters make maneuverability easy and quiet for workers.

PROCART JET DOUBLE MOP BUCKET

The Executive Compact Housekeeping Cart is a complete system solution for housekeeping. Adjustable storage options easily accommodate specific cleaning supply needs and provide flexibility.

- Color-coded, with measuring scale for water dosing.
- Easy emptying thanks to its ergonomic handle.
- High resistance press, anti-splash system and extra-resistant handle.
- Holder support Kit for sweeping and scrubbing elements.
- Wheels of 80 mm with 360° pivoting system.
- Silent driving.
- Ergonomic design.
- Made of ABS and PP.

EXECUTIVE SERIES™ HYGEN™ QUICK CONNECT FLEXI WAND, WITH MICROFIBER DUSTING SLEEVE

HYGEN™ Microfiber Quick-Connect Flexi-Wand and Duster helps remove dust from crevices and hard-to-reach places.

- Easily bends and conforms to irregular shapes to allow users to clean crown molding, tops of cabinets, and other areas
- Quick-Connect Handle allows Flexi-Wand to be used with any of our telescoping handles (1863882 & 1863883)
- Washable duster sleeve slides on and off for easy replacement
- Bleach Safe
- Certified to tolerate CDC hot and cold water laundering requirements

WAVEBRAKE® SIDE PRESS BUCKET AND WRINGER

With features that surpass traditional mop buckets, the new generation of WaveBrake® helps to clean floors with less effort to get the job done safer, without sacrificing quality and durability.

- **IMPROVE SAFETY AND PRODUCTIVITY** Patented WaveBrake baffles result in less splashing while mopping and maneuvering, helping to create a safer environment for patrons and staff. Additionally, water stays in the bucket, eliminating unnecessary trips to the storage closet to fill up the bucket, enhancing productivity.
- **80% LESS SPLASHING** - Molded-in WaveBrake baffles disrupt wave formation, reducing splash up to 80% versus leading competitors. *versus competitive U.S. 35qt single compartment mop bucket and wringer, not including divider bucket and accessories.
- **CONVENIENT TO EMPTY** The new generation of the WaveBrake mop bucket is designed to safely empty water with less effort. Integrated handles, sink ledge, and a pour spout provide control while lifting and emptying, for a safe and stable emptying process.
- **INTEGRATED HANDLES AND SINK LEDGE** Lift and empty the mop bucket easily, with less strain.
- **POUR SPOUT** Helps prevent water from spilling on to floors while emptying dirty water, to help floor remain dry and safe.

Capacity 26 qt 35 qt Executive series Available

SLIM JIM® RECYCLING STATION 4 STREAM LANDFILL/PAPER/PLASTIC/CANS

An adaptable recycling solution offers a front-of-house look with back-of-house functionality.

- Intuitive lid openings help patrons and staff sort recyclables more effectively.
- Provide better waste stream visibility by selecting a color and waste stream label for your facility needs.
- Hinging lid inserts are optimized to fit any size recyclable.
- Simple and durable execution. Components snap in place without the use of hardware.

Streams 4 Stream 3 Stream 2 Stream

MERIDIAN RECYCLING BIN 87L / 110L

The Meridian was originally designed for universities, and is now part of the furniture in hospitals, schools and businesses. Available in two sizes the Meridian offers the apertures you require.

- Ideal for a wide range of internal waste recycling situations
- Use individually or in a group
- Wide range of aperture options (100, 70/30, 30/40/30%)
- Removable liquid reservoir complete with non-spill moulded funnel
- WRAP compliant colour coded apertures and graphics as standard
- Label personalisation
- Area available for personalised graphic or company logo
- Rotationally moulded A3 signage kits are available, optional securing to the back of the unit or wall mounted
- Optional - Bin Linkage
- Hinged lift lid with ergonomic groove for easy lifting
- Standard posters available

LEGACY STEP-ON CONTAINER

The Rubbermaid Commercial Legacy Step-On Container provides sanitary waste management. The step-on foot pedal reduces contamination and improves working conditions.

- Slow-close, integrated lid damper keeps odors and bacteria from escaping
- Puncture-resistant, all-plastic construction
- Ideal for medical waste containment
- Quiet, heavy-duty pedal for hands-free, sanitary use
- Compliant with industry standards, such as FM, OSHA, and OBRA.

Size 8 gal 12 gal 18 gal 23 gal

STREAMLINE® STEP-ON RESIN FRONT STEP

The Rubbermaid Commercial Streamline® Step-On Container features a slim profile and small footprint to fit in tightest spaces. Streamline® Step-On containers are constructed with premium-quality materials and meet the needs of any environment with efficiency, safety, and durability.

- Streamline® Step-On containers constructed with premium-quality plastic meet the needs of any environment with efficiency, safety, and durability.
- Slim profile and small footprint maximize space to fit in tightest spaces.
- Internal hinge design prevents wall damage.
- Quiet and controlled lid-closure minimizes noise to enhance guest and patient satisfaction.
- Factory mutual certified ensures fire safety for regulatory compliance.

VENTED BRUTE

Innovative venting channels make lifting out liners up to 50% easier, improving productivity and reducing the risk of injury.

- Integrated cinches secure the liner, allowing for efficient knot free liner changes. Tested to 20,000 cycles.
- Rounded handles make lifting and moving easier, and are reinforced to resist tearing or damage from even the heaviest loads.
- Reinforced base is specifically engineered to be dragged over rough surfaces, extending life and overall durability even in the toughest environments.
- Contoured base handles improve grip and ergonomics, reducing strain and improving efficiency when emptying containers.
- Rim features integrated rib structure to increase strength and resist crushing.

Size 10 gal 20 gal 32 gal 44 gal 55 gal

BRUTE® 32 GAL LID GRAY

The Rubbermaid Commercial BRUTE® Self-Draining Lids feature self-draining channels that prevent water from pooling.

Size 10 gal 20 gal 32 gal
 44 gal 55 gal

BRUTE® DOLLY BLACK

Rubbermaid Commercial BRUTE® Dolly smoothly and efficiently transports 20, 32, 44, and 55-gallon BRUTE® containers easily and quickly.

- Provides easy mobility and maneuverability when collecting and transporting heavy loads.
- Supports loads up to 250 lbs.
- Innovative twist-lock design keeps containers secure
- 5 non-marking casters move quietly and efficiently
- Structural foam construction for durability

METROPOLITAN SMOKERS' STATION

The Metropolitan Smokers' Station is a stylish all-metal, high-capacity smokers' station. Built to stand up to any environment with long-lasting quality and a classic design to complement facility aesthetics.

- All-metal construction in a slim, contemporary design
- Features weatherproof Uni-Koat™ powder coating finish
- Easy to empty with a hinged lid that flips open to provide complete access to the liner to lift out, discard waste, and reinsert
- Bolt down option prevents theft, pilferage and tip-overs
- Integrated keyed cam lock secures lid against tampering and helps reduce replacement costs
- User-friendly with stainless steel snuff plates on both sides of the unit
- Measures 16.8" dia x 42.8" h

Height 108.71 cm Weight 17.69 Kg

GROUNDKEEPER® TUSCAN RECEPTACLE

The GroundsKeeper® Tuscan Receptacle is a classic, all-weather solution that holds large quantities of cigarette waste.

- Design blends in with different facility aesthetics
- Features a stainless steel snuff plate
- Equiped with anchor holes for added security
- Hygienic, easy-to-service steel canister
- Restricted opening shields waste from view, weather, and flow of oxygen

SANITARY BIN 5 GAL WHITE

Designed to provide a safe and hygienic way to dispose of sanitary waste.

- An easy to access foot pedal enables hands-free trash disposal, and a deep chute helps prevent trash from getting stuck.
- Features a smooth contoured shape that allows for easy cleaning.

RD-0102 PEDAL BIN

- Volume: 5 litres
- Stainless steel construction
- Easy to use pedal mechanism
- Diameter: 20.5 cm - Height: 26 cm
- Pull out bin with handle

120 LITRE WHEELIE BIN

The 120 Litre wheelie bin is the smallest 2 wheeled bin which makes it ideal for smaller households and where space is at a minimum. The 120 Litre wheelie bin stores up to 2 full refuse sacks with a close fitting lid to prevent any overspill and is fitted with durable rubber wheels enabling ease of handling when full.

240 LITRE WHEELIE BIN

Designed to provide a safe and hygienic way to dispose of sanitary waste.

1100 LITRE WHEELIE BIN

Consisting of four wheels, and capable of holding large volumes of waste, the 1100L Wheelie Bin is the perfect waste solution for environments such as residential blocks, restaurants, cafes, and commercial or industrial settings.

LOGO IMPERIAL™ 199 NOTRAX

LOGO MAT PRINTED

The Logo Imperial™ high quality multi-functional dust control mat is densely tufted with an open Frieze tuft for true depth of colour and a trackless surface to ensure a high water absorption capacity and dirt removal for a highly effective solution. A durable vinyl backing with a smooth finish adapts to any surface. Logo Imperial™ can be fully customized with BrilliantStep™ state-of-the-art printing technology allowing 3-dimensional effects, fine lines and colour shading, for each mat to have its truly individual image.

- Durable vinyl backing with smooth finish adapts to any surface
- Tufted Frieze cut loop pile consisting of 100% non-crush polyamide 6 high twist yarns
- 700 grams of yarns per m²

Thickness 7 mm

PROFESSIONAL ALUMINIUM DOORMATS

Professional aluminium doormats. We prove that our doormats can be an amazing of building entrances.

PROFESSIONAL CORDLESS ELECTROSTATIC HANDHELD SPRAYER

The Victory Innovations® Professional Cordless Electrostatic Handheld Sprayer allows the user hours of spraying time without the hassle of dragging a cord. It is designed to save time and labor and cover more surfaces. Our patented technology adds an electrostatic charge to solutions, allowing them to wrap conductive surfaces with an effective and even coverage. Charged particles envelop all conductive surfaces – shadowed, vertical, and underneath.

- Patented electrostatic charge penetrates chemical providing a thin even spray pattern on all surfaces
- Weighs only 5.9 lbs / 2.7 kg with a full tank
- Cordless convenience allows for effortless movement room to room
- 3-in-1 nozzle lets you set the spray particle size to match your application
- Easy Fill HDPE 33.8oz / 1L refillable tank allows you coat up to 2800 sq. ft / 260 sq. m on 40 micron setting
- Victory 16.8V Lithium-Ion battery allows you to run between 20-80 tanks on a single charge

EXECUTIVE DIVIDED CARRY CADDY

The Divided Carry Caddy is an all-purpose caddy designed for carrying tools or cleaning supplies.

- Conveniently fits on most cleaning or housekeeping carts
- Flat sides and bottom fit all different types of cleaning supplies or amenities
- Ergonomic, molded carry handle provides comfortable fit and makes transport easy
- Discreet color hides marks or dirt that can get on cleaning tools
- Easy-to-clean surface keeps our caddies looking new

Color Black Weight 0.02 Kg Size 27.31 cm x 16.51 cm x 38.74 cm

SERVICE UTILITY CART WITH 4” SWIVEL CASTERS

Service Utility Cart with 4-inch Swivel Casters is a versatile, durable cart that can perform a wide variety of tasks. This rolling utility cart has non-marking swivel casters for smooth movement and raised arms on both sides for easy maneuverability.

Rubbermaid Commercial Products Service Utility Cart with 4-inch Swivel Casters is a versatile, durable cart that can perform a wide variety of tasks. This rolling utility cart has non-marking swivel casters for smooth movement and raised arms on both sides for easy maneuverability. Designed with 3 shelves that can support up to 200 lbs. PRO SERVE ICE HANDLING SYSTEM

- “Ice Only” on side helps prevent cross-contamination
- Ergonomic handle for comfort
- Constructed of tinted blue polycarbonate for long-lasting durability throughout your heavy-duty use
- Rear hanging hook - hang tote upside down for drying also assists in keeping tote clean
- Fits in most commercial dishwashers
- Bin hook adapter - attaches to ice machines for ease of transfer and reduced back strain
- Angled top opening helps prevent spills when filling & acts as a spout when pouring ice.

- Scoop Holder - Open Wire frame allows air circulation for faster drying reducing mould and bacteria growth
- Mounting holes to position on the wall near the ice bin /machine
- Provides a safe place to store your FG9F5000 Ice Scoop

Capacity 11.3 Kg / 25 L Size 30.9 cm x 33.7 cm x 56.1 cm

LB4 SUPERLEGGERA
BACKPACK VACUUM CLEANER

This machine has been designed in detail to achieve high performances,large bag capacity, highest level of filtration even with extremely small dimensions and low weight. LB4 is the “lightest backpack vacuum in the world”.

- Ideal for difficult to reach areas: cinemas, theatres, trains, airplanes, stairs etc.
- 5-stage filtration system
- Battery version equipped with 36V- 6Ah Lithium Ion battery for long runtime
- Superlight: 4.9 kg (10.3 lb) with battery, silent and very handy
- Ergonomic handle and aluminum telescopic wand
- Lindhaus patented universal floor tool M28R
- Blower function (optional)
- Electric version with 10 mt cable for non-stop work
- Power nozzle with Dry Cleaning System (DCS) (optional)

RX ECO FORCE 380E - 450E - 500E ULTRA STRONG DUAL MOTOR UPRIGHT VACUUM

- Electronic control provides for a soft start, overload indication for the correct height adjustment and motor shut off.
- The dynamically balanced roller and metal supports with ball bearings can be quickly replaced without tools. The RX is equipped with 4 rubber wheels as well as two side cylinders to glide flush with the wall. Two wear resistant stainless steel base guides provide a shockproof system. Two position operation provides easy transition over thresholds.
- Air and dust are highly filtered and special attention was given to the power nozzle with a washable entry/exit cooling air filter - easily replaced without tools.

- Selected by the White House U.S.A.
- Strong and reliable - ideal for contract cleaners
- 5 levels of filtration with HEPA filter (optional)
- Accessories on board
- Double body/base support with quick release
- Stainless steel guides
- Available in 3 sizes: 380 (15"), 450 (18"), 500 (20")

TUBULAR BATTERIES
AND GEL BATTERIES

Intercare provides top class range of products and services that includes high performing lead-action Tubular batteries and Gel batteries in 6 Volt, 8 Volt, 12 Volt Tubular Cells from NBA (Italy), Union (India). Our utility vehicle batteries are durable, reliable, value for money and longevity, for consistent battery performance day in and day out.

BATTERIES FOR ALL KINDS OF FORKLIFT,
GOLFCART, AERIAL PLATFORM & UPS

MARBLE GRINDING & POLISHING

Marble floors add a luxurious touch to any building with beautifully - textured surfaces. However, it is important to use the right technique to polish a marble floor by right machines and tools in order to restore shine and avoid damaging the soft, porous stone with harsh chemicals.

MARBLE FLOOR ANNUAL MAINTENANCE PROGRAM

Our Annual Marble Floor maintenance program includes the Restoration, Polishing and maintenance of the floor depending on its condition, footfall and sheen on the floor.

Areas with more footfall will be polished quarterly or even monthly depending on the condition of the stone.

Regular buffing of the floor with white pad or with crystallizer and steel wool to maintain the sheen on the floor

Half yearly or quarterly restoration of the floor depending on the gloss on the floor.

MARBLE FLOOR POLISHING

Polishing gives shining effect to the marble floor. For marble floors in good condition, polishing is enough to bring back the shine. Industrial diamond floor pads with grit 400, 800 and 1500 are efficient.

MARBLE FLOOR CLEANING & MAINTENANCE

Regular cleaning is important for marble flooring. There is no need to scrub the marble as this will spoil the marble and create etches marks and affect shine. Instead we can buff the with white pad or we can use a crystallizer with steel wool pad to maintain the sheen on the floor.
